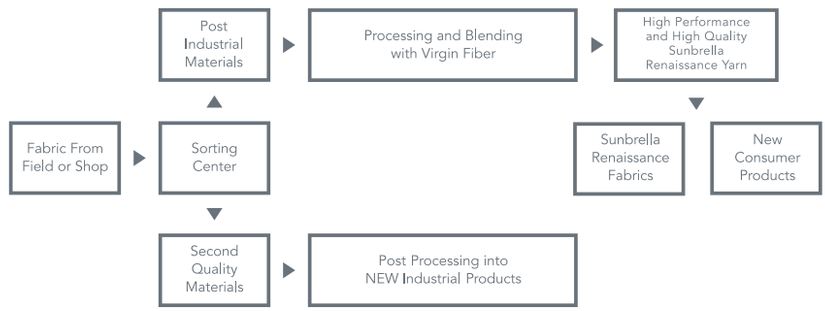
SUNBRELLA OFFERS RECYCLING SERVICE TO CUSTOMERS

For over 30 years, Sunbrella has recycled its industrial wastes such as yarn, fabric and packaging. As a result, Sunbrella's South Carolina plant sends absolutely no waste to the landfill.

Sunbrella also provides a unique way for customers and consumers to recycle Sunbrella fabrics through a revolutionary take-back program called "Recycle My Sunbrella." For more information on our continuing commitment to sustainability and the environment, visit **www.recyclemysunbrella.com.**



CARE AND CLEANING

One of the best ways to keep Sunbrella fabrics looking good and to delay the need for deep cleaning is to rinse regularly with clear water to help prevent dirt from becoming deeply embedded in the fabric.

Simply brush away loose dirt, rinse and clean with a mild, lukewarm soapy solution. Rinse thoroughly and allow to air dry.

For detailed cleaning instructions, visit **www.sunbrella.com/cleaning.**

5-YEAR LIMITED WARRANTY

This limited warranty protects the original purchaser from Sunbrella becoming unserviceable due to color or strength loss from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals. The limited warranty coverage period is five years from the date of original installation.

For more information about the Sunbrella limited warranty, visit **www.sunbrella.com/warranty.**
